DEAN’S FOREWORD
DEAN’S FOREWORD
DEAN’S FOREWORD

This booklet presents a record of the academic activities in the Faculty of Arts and Social Sciences at Sabancı University from September 2007 to September 2008. Our ninth academic year is also the seventh and the last year of Professor Ahmet Alkan serving as Dean. We owe Ahmet many thanks for his leadership and contributions.

We modified the cover and size of this booklet to harmonize it with other visual information materials we shall produce during this year, ranging from course modules leaflets to program brochures and posters. A novelty in the content is the list of publications and artistic productions by our students. We are very happy to see their intellectual outputs in print, as indicators of success in our mission to “create and learn together.”

İnci Ceydeli and Tuğcan Başara have collected, organized and edited the material, and Meltem Müftüler-Baç has read a draft and pointed out several errors and omissions. Leyla Özcivelek Durlu made the final touch. I appreciate their time and effort.
