DEAN’S FOREWORD
DEAN’S FOREWORD

I am very pleased to present the activity record of FASS for its tenth academic year, 2008-2009. To witness FASS grow at a remarkable pace and transform itself into a major international player in this region is indeed a great source of pride for all of us.

Throughout this academic year FASS has been vibrant with academic seminars, teaching and faculty as well as student research. Noteworthy is the upward trend in our research output quality and quantity, international applications to our graduate programs and sponsored research.

Thanks to Inci Ceydeli and Tuğcan Başara for collecting and editing the material, to Meltem Müftüler-Baç for going over two drafts of corrections and Leyla Özcivelek Durlu for preparing this material into print.
